

Guidelines for Monthly Tournaments

The Sakura Senior Golf Club plays every Thursday (except Holidays) of the year; most of the play is at our home course, Bartley Cavanaugh Golf Course. However, for variety and fun we travel and play an away tournament we call the Monthly Tournament, once a month on a Thursday, during the months of March to November. The courses are highly regarded public courses in the Sacramento Region. Usually, one of the tournaments will be beyond the immediate area to provide a greater chance of a unique golfing experience. Last year we traveled to Yoche Dehe Golf Course. In 2024, we are traveling to Blue Rocks Springs, East Course in Vallejo, CA. For the complete list of Monthly Tournaments see Upcoming Events and 2024 Schedule, which lists the venues, dates, start time, cost and designated Contact Person.

The Club Championship Series are the three Monthly Tournaments held in August, September and October. To be eligible for the Club Championship, one must play at least two of the three tournaments. The two best scores will be used to determine our four Club Champions. Because of the diverse nature of our club, we have four Flights to make competition more equitable. See Flights for more information. Winners are announced at our annual year end get together in early December.

Deadline for contacting the designated Contact Person is two weeks before the tournament.

Payment for green fee and cart rental is also due two weeks before the tournament. Members also pay a Tournament Fee of \$5.

The club's Handicap Committee will post scores for the members.

It is a long standing custom to bring a snack/treat to share with your foursome.

In the event of a weather related cancellation, you will be notified before the round.

Guests are always welcome.
