* Cost includes green fee, cart, and \$5 tournament fee.

Please pay by check (no cash) to Don Lai, two weeks in advance of the tournament

The Club Championship will be the August, September, and October tournaments.

We have scheduled 11 tee times depending on the course.

The cost shown above includes our usual \$5 tournament fee.

We need at least 44 players for each tournament. Most courses require prepayments and guarantees.

We need to establish how many members are going to play at least two weeks before the tournament.

Final player count must be made to the golf course at this time.

If you have any friends that would like to play with us, please let Don know.

Guests will not pay the \$5 tournament fee.

REMINDER: Most courses have a dress code. Proper golf attire is required.

No denim and collared shirts are mandatory. Non-metal spikes only.

We are hoping to have a great year with our monthly tournaments.

This can only happen with the full participation of our members.

This is your club; without your participation, the club would cease to exist.

Your support is greatly appreciated.
