

Guidelines for Weekly and Scramble Tournaments

Refer to the 2024 Schedule for dates, tournament type, start time and designated Contact Person for each event.

All Weekly and Scramble Tournaments are held at **Bartley Cavanaugh** Golf Course. Although the start times differ because of seasonal factors, we are fortunate to have a modified shotgun start for every event at our home course. This allows everyone to finish their round around the same time, which allows the opportunity to share food, drink, and fellowship together.

The Weekly Tournaments are held **2** or **3** times a month during the months of March to November. The format is Medal Play and Closest-to-the-Pins. There is a **\$3** tournament fee for members. Our Handicap Committee will post the member's scores.

The Scramble Tournaments are held on the second Thursday of the month during the months of March to November. The format is some kind of fun team play, such as a Scramble; you don't know the format until you arrive at the course. There is a **\$5** tournament fee for members and guests. The purpose of the Scramble Tournaments is to add variety and fun to the golf season. Since these are team events, no individual scores are posted.

We have a special tournament, the Memorial Tournament, on the second Thursday in August. The format is Scramble on Steroids. Play is followed by a buffet lunch and a short business meeting. The tournament fee is approximately **\$20**, which includes lunch.

Winter Play is held during the months of December, January and February. There is no formal format for these months. There is a **\$3** tournament fee for Closest-to-the Pins; Guests may participate if they want to.

Deadline for contacting the designated Contact Person is the Sunday prior to the Thursday you wish to play.

Arrive at least **30** minutes before the Start Time and check in with the designated Contact Person.

In the event of a weather related cancellation, you will be notified before the round.

Usually in the first week of December, we will have an end-of-season event, such as a Brunch or Lunch. We will have a short business meeting and will announce the Club Champions; we have **4** flights and **4** Club Champions! We also will announce the Most Improved Player of the year.
